

RULES & GUIDELINES FOR BOWLS TOURS

Organised bowls tours to Spain are directed through the Levante Lawn Bowls (LLB) Tour Co-ordinator and at the moment come via:

Personal Touch, Ron Scott of Bowling Abroad, Holiday Heat.

If any other Company or a Club approach the LLB Tour Co-ordinator DIRECT then that tour(s) will be undertaken through the LLB with the relevant fees involved.

The costs for such tours ie fees payable to the LLB, green fees and cost of meals, are all arranged through the LLB Tour Co-ordinator and MUST be adhered to.

Green fees are currently priced at 8 euros per person per match, **with soup and filled roll or sandwich at 7.00 euros** . Non players on the same tour pay the same price for soup and roll as players. **This increase is effective from January 2023 and subject to review.**

In the case of Bowling Abroad, they will arrange their own matches and meals with their itinerary sent to the LLB Tour Co-ordinator.

Club members may have connections with a CLUB in the UK or other Countries and wish to arrange a match with them - this is acceptable BUT:

- 1) The host Club(s) must accept full responsibility for the match and all costs involved with no recourse to the LLB and/or LLB Tour Co-ordinator.
- 2) The LLB will NOT expect any payment for these private arrangements.
- 3) The host Club(s) **MUST** notify the LLB Tour Co-ordinator of all such arrangements to ensure they do not clash with other organised tours he/she is trying to arrange. Failure to do so could result in that Club(s) not receiving organised tours arranged through the LLB.

On completion of a term of Office at a Club could this information be passed on to the relevant person taking over that term of Office.
